

# St. Mary Church, Newport

**WINTER COAT DRIVE** – No one should go cold this winter. St. Mary Church Newport is holding a winter coat drive leading up to and through the cold months ahead. We are accepting new or gently used winter coats for men, women, and children. When the temperature drops, many people are faced with the impossible decision between paying rent, buying food, or buying a coat that fits their child or themselves. Your generosity and donations can eliminate this struggle and will benefit others in our local community to stay warm. Coats may be brought to the rectory office. Please call the rectory office for questions or additional information at 301-934-8825.

11555 St. Mary's Church Road
